

M.Huzaifa Shah

FrontEnd Developer

github.com/m-huzaifashah | mhuzafahabibshah@gmail.com | +92 3186088483

About Me

Frontend Developer focused on crafting fast, responsive, and visually engaging web apps using React, JavaScript, and modern CSS frameworks. Strong attention to design detail and user experience.

Quick Guide

- Skilled Frontend Developer experienced in building responsive, interactive web applications using **React**, **JavaScript (ES6+)**, and **Tailwind CSS**.
- Strong understanding of modern UI/UX principles, component-based architecture, and REST API integration.
- Proficient with version control (**Git**, **GitHub**) and build tools like **Vite**, **npm**, and **Webpack**.
- Passionate about clean, maintainable code and delivering seamless user experiences across devices.

Education

Riphah International University, BS in Computer Science Sept 2021 – May 2026
• **Coursework:** Web Development, Data Structures Algorithms, Object-Oriented Programming, Database Management, Computer Networks

Projects

Personal Portfolio Website github.com/m-huzaifashah/Portfolio

- Designed and developed a modern, responsive portfolio using React and Tailwind CSS.
- Displays personal projects, skills, and contact information in a clean, professional layout.

Product List App github.com/m-huzaifashah/ProductList

- Built a React-based product listing application with search and filtering functionality.
- Focused on state management, reusable components, and user-friendly design.

Dynamic Accordion Component github.com/m-huzaifashah/dynamic-Accordian-react

- Developed a reusable accordion component using React hooks for dynamic content rendering.
- Practiced event handling and conditional rendering to enhance interactivity.

React Chips Input Component github.com/m-huzaifashah/react-chips-input

- Created a dynamic input field supporting multiple tags (chips) using React state and props.
- Improved component modularity and responsiveness using custom CSS and controlled inputs.

Rock Paper Scissors Game github.com/m-huzaifashah/Rock-Paper-Scissor

- Built an interactive Rock Paper Scissors game using React with basic logic and animations.
- Gained experience in DOM manipulation and conditional rendering for fun UI projects.

Certificates

- **JavaScript Essentials 1 (JSE)** — Cisco Networking Academy, 2024
- **AI Fundamentals with IBM SkillsBuild** — IBM, 2024
- **NDG Linux Unhatched** — Cisco Networking Academy, 2024
- **Python Essentials 1** — Cisco Networking Academy, 2024

Technologies

Languages: JavaScript (ES6+), HTML5, CSS3

Frameworks & Libraries: React.js, Tailwind CSS, Bootstrap, Next Js

Tools: Git, GitHub, VS Code, npm, Vite

Other Skills: Responsive Design, API Integration, Debugging, State Management (Hooks)
